

Protective Packings for treated Roller Surfaces

Basic - Transport Protection Surface Quality Ra = 0.1 µm						
Variant	Transport route	Delivery	Protective Packing	Price in CHF	Price in €	Calculation
Variant 1	Standard	with crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Corrugated board	15.00 / m ²	9.55 / m ²	Circumf. x table length
Variant 2	Standard	without crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Corrugated board Lamiflex	41.25 / m ²	26.25 / m ²	Circumf. x table length
Variant 3	Overseas	with crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Corrugated board Overseas packing	Variant 1 plus 15.00 / m ²	Variant 1 plus 9.55 / m ²	Circumf. x overall length
Variant 4	Overseas	without crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Corrugated board, Lamiflex Overseas packing	Variant 2 plus 15.00 / m ²	Variant 2 plus 9.55 / m ²	Circumf. x overall length

Superior - Transport Protection Surface Quality Ra < 0.1 µm						
Variant	Transport route	Delivery	Protective Packing	Price in CHF	Price in €	Calculation
Variant 5	Standard	with Crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Foam plastic 1 x Corrugated board,	21.25 / m ²	14.00 / m ²	Circumf. x table length
Variant 6	Standard	without tCrate	Valvoline DW Fluid GL 1 x Oil paper 1 x Foam plastic 1 x Corrugated board Lamiflex	48.75 / m ²	31.00 / m ²	Circumf. x table length
Variant 7	Overseas	with Crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Foam plastic 1 x Corrugated board Overseas packing	Variant 5 plus 15.00 / m ²	Variant 5 plus 9.55 / m ²	Circumf. x overall length
Variant 8	Overseas	without Crate	Valvoline DW Fluid GL 1 x Oil paper 1 x Foam plastic 1 x Corrugated board, Lamiflex, Overseas packing	Variant 6 plus 15.00 / m ²	Variant 6 plus 9.55 / m ²	Circumf. x overall length

Long Term - Transport Protection Surface Quality Mirror-Finish						
Variant	Transport route	Delivery	Protective Packing	Price in CHF	Price in €	Calculation
Variant 9 1 Year Long-Term Protection	Standard	with crate	VCI- oil VCI- foil 1 x Foam plastic 1 x Corrugated board	42.25 / m ²	26.90 / m ²	Circumf. x table length
Variant 10 1 Year Long-Term Protection	Standard	without crate	VCI- oil VCI- foil 1 x Foam plastic 1 x Corrugated board Lamiflex	66.25 / m ²	42.20 / m ²	Circumf. x table length
Variant 11 2 Years Long-Term Protection	Overseas	with crate	VCI-oil VCI-Lupofoil VCI-foil 1 x Foam plastic 1 x Corrugated board Overseas packing	Variant 9 plus 20.00 / m ²	Variant 9 plus 12.75 / m ²	Circumf. x overall length
Variant 12 2 Years Long-Term Protection	Overseas	without crate	VCI- oil VCI -Lupofoil VCI-foil 1 x Foam plastic 1 x Corrugated board Lamiflex Overseas packing	Variant 10 plus 20.00 / m ²	Variant 10 plus 12.75 / m ²	Circumf. x overall length

Additional General Information
<p>Which variant would you like? To avoid possible delays due to requests for further particulars, please define the desired type of packing according to the requirements of this plan. Thank you!</p> <p>Long-Term Transport Protection With the offered long-term packing, we guarantee protection against corrosion for a maximum period of 24 months after the date of dispatch. However, this guarantee is only valid if the workpiece is stored in a dry storage facility at a temperature of 10°C to 40°C. The densimeter is to be checked on arrival of the workpiece and also every two months after. The protective packing is to be renewed if the protective cover starts to leak, otherwise - at the latest - two years after the date of dispatch.</p> <p>Overseas Packing Since the pins are also packed protectively, the overall length of the roller is also a cost-factor by the calculation of the overseas packing (aluminium foil, including the desiccant).</p> <p>New Crate Should we have to make a new crate, it will be charged separately according to time and effort.</p> <p>Your Protective Packing on Delivery If your roller is delivered by us with Lamiflex protection, we will use your Lamiflex again and not charge you for same.</p>
